In this contract, _____ is referred to as "Seller" and _____ is referred to as "Buyer".

This kitten is guaranteed to be in good health at the time of sale. It will be examined by a licensed veterinarian with age-appropriate vaccinations, deworming, and microchipped before it is picked up by the Buyer. Before leaving the Seller, all kittens will be socialized, eating wet/dry kitten food, drinking water, and using a litter box.

- Buyer agrees that for the protection of both Buyer and Seller, it is required you have your kitten examined by a licensed veterinarian within 48 hours of receiving purchased kitten.
- The Buyer agrees that if this kitten is not examined by a licensed veterinarian within the 48 hours of receiving said kitten all health guarantees and replacement options in this contract are VOID.
- Buyer agrees if upon examination the kitten is found to have an untreatable medical issue the Buyer must notify the Seller the same day the examination took place. Said kitten must then be examined by the Seller's veterinarian at the Seller's expense. If the Seller's veterinarian comes to the same diagnosis of said kitten a replacement kitten of equal value will be given to the Buyer once one becomes available.
- Buyer agrees that if the Seller's veterinarian does not come to the same diagnosis the kitten shall be examined by a Board Certified Veterinarian in the applicable specialty of the Seller's choice at the Buyer's expense. If the specialist diagnosis said kitten with a medically untreatable disease a replacement kitten of equal value shall be given.
- Buyer agrees that if Seller is not notified of the results of the examination the same day all health guarantees and replacement options are VOID.
- Buyer agrees that this kitten shall be spayed/neutered by 6 months of age and provide signed documentation of spay/neutered with noted microchip number from a licensed veterinarian to Seller.
- Buyer agrees that if said kitten has not been spayed/neutered by the age of 6 months old all health guarantees and replacement options are VOID.
- Buyer agrees if signed documentation of spay/neutered with noted microchip number from a licensed veterinarian is not sent to the Seller with one week of spay/neuter all health guarantees and replacement options are VOID.
- Buyer agrees that if it comes to the Seller's knowledge that the purchased kitten was bred, the Buyer agrees to return said kitten at the Buyer's expense.
- Buyer agrees that if said kitten is ever declawed all health guarantees and replacement options are VOID.

- Buyer agrees that no replacement kitten shall be given due to behavior or personality of this kitten.
- Buyer agrees that the Seller is not responsible if this kitten contracts FIP (Feline Infectious Peritonitis) and no replacement kitten shall be offered.
- Buyer agrees that Seller will not reimburse any cost incurred (medical, shipping, crate, etc.) for any reason.
- Buyer agrees that under no circumstances will a partial or full refund of purchased kitten be given from the Seller.
- Buyer agrees that in order to receive a replacement kitten, this kitten must be returned to the Seller first and all shipping cost for the returned kitten and replacement kitten will be paid for by the Buyer.
- Buyer agrees and acknowledges that kittens sometimes suffer from illnesses (similar to humans) that require treatment and cannot be prevented by the Seller. In these cases, no replacement kitten will be offered.
- The kitten is guaranteed against life-threatening congenital defects for ONE YEAR.
- Seller guarantees that kitten is free of hereditary malformation (genetic defects HCM, SMA, PK and PKdef) to the best of the Seller's knowledge at the time of the sale. In the event that this kitten is found to suffer from one of the above genetic defects within one (1) year of purchase, Seller agrees to replace kitten with another kitten of equal value.
- Should the kitten die within ONE YEAR as a direct result of a congenital defect, the cat will be replaced ONLY if an appropriate necropsy is performed by a licensed veterinarian and a veterinarian's certificate is provided as proof of cause of death. A replacement will be made of a kitten of comparable quality and value, as available, at the discretion of the Seller. The Buyer must provide the Seller with a copy of the necropsy.
